

Reading

Please aim to read with an adult at least 5 times per week. Record the read in your reading diary and ensure they are in school, alongside your reading book, every day. This can include a mixture of home books, choice books and reading books.

Diaries will be checked regularly throughout the week.

Spelling

Spellings

This week we are focussing on words with the sounds /r/ spelt 'wr' at the beginning of words and some common exception words (in blue). (Red words are commonly misspelt words this week...) spellings:

write	wrist
wrote	wreck
written	because
wrong	find
wrap	kind

You have been given a book with handwriting lines in so when you practice your spellings you can also spend time on your handwriting

Maths

Maths focus for this week:

Addition and subtraction:

Try this fun memory game: You will need: number cards from 1 to 19, and an extra 10. (2 or more players) How to play Shuffle the cards and place the cards face down in four lines on the table. Turn over one card and say which card they need to make 20. It's important that learners take this step to think about which card they need. Then turn over another card. If the cards make 20, then collect the cards. If the cards don't make 20, then turn both cards back over. Next players turn. The player who collects the most cards wins.

Make it easier: Leave some cards turned face up. Write the number bonds to 20 on paper for children to refer to.

Maths homework does NOT need to be completed in the homework logs or submitted.

Ideas/resources for practising:

Any other information:

^{*}Spelling assessments and quizzes are based on previous weeks spellings as we want to see what the children have remembered long term.*
