Phonics

This week we have started to review our phonics – sounding out and writing given words and writing sentences linked to graphemes reviewed.

Reading books selected are linked to sounds and HRSW that need to be reinforced.

Numbers, numbers everywhere!

We have continued counting, matching, sorting, and sequencing numbers to 20.

This week we have realised that counting can go forwards or backwards in order.

We have launched our mini adventure this week - Marvellous Me! By finding out what we already know about ourselves.

Forest School was a surprise treat for us this week - the weather was kind and we didn't get too wet. Group 2 had their letters yesterday.

Our PE day this term is a Thursday, however PE kits need to be in school from Monday just in case.

😊 Many thanks Mrs Oakes
