Phonics

We have continued to review Phase $\frac{3}{4}$ phonics this week, sounding and blending, writing a dictated sentence.

We have been concentrating on correct letter formation and writing on the line.

More or less

Lots of practical identifying one more or one less than a given number within 20 as a warm-up to our maths lessons.

In our mini adventure we have continued to think about ourselves, and why we need bones. We have created some fabulous skeleton collages.

Our PE day this term is a Thursday, however PE kits need to be in school from Monday just in case. They will be sent home for washing by Friday at the latest 😊 Many thanks Mrs Oakes

If you have any issues or queries, please feel free to email me at sp.p.year1@taw.org.uk.
