Phonics

We are learning phase 5 phonics this week, sounding and blending, writing a dictated sentence. We are continuing to learn HRSW.

Again correct letter formation and writing on the line is being reinforced.

What is a whole part model?

Beginning to learn about the whole part model and how it can help us to represent numbers in different ways.

In our mini adventure we have continued to think about ourselves, and what our senses are; we are beginning to identify them and know how we use them to make sense of the world.

Our PE day this term is a Thursday, however PE kits need to be in school from Monday just in case. They will be sent home for washing by Friday at the latest 😊 Many thanks Mrs Oakes

If you have any issues or queries, please feel free to email me at sspp.year1@taw.org.uk.
