

Welcome to our SSPP SEND Newsletter!

Every term, our newsletter will provide information about SEND at SS Peter and Paul Catholic Primary School.

We will also keep you updated with the Telford & Wrekin local offer and guidance.

Welcome!

Miss Louise Russell Federation SENCO As St Peter and Paul Catholic Primary School Special Educational Needs and Disability Coordinator (SENCO), I am here to offer support and advice regarding additional needs or SEND support for your child.

As a school, we value the engagement of our parents so please do not hesitate to get in touch if you have any questions. My contact email address is: <u>send.obs@taw.org.uk</u>

Alternatively, you may find further information about our SEND provision on the school website:

<u>https://www.sspeterandpaulcatholicprimary.org.</u> <u>uk/send</u>

Telford and Wrekin SEND local offer

Individual Provision Maps

Individual Provision Maps (IPMs) are created for all pupils who are identified as having an additional need within school (SEND).

The purpose of the IPM is to set Specific, Measurable, achievable, Realistic and timely (SMART) targets for the children over a termly period. These are completed by the class teacher.

Alongside each target is the identified provision/intervention that will be put into place to support the child. This might be an intervention, strategy or resource.

At SSPP, we always share the pupil IPMs with parents and can recommend how to support at home.

If you would like to discuss your child's IPM further, please contact either the class teacher or myself.

You can also find a copy of the Telford & Wrekin SEND parent newsletter. <u>https://www.telfordsend.</u> org.uk/homepage/14/sen d_news

SEND – Keeping Safe Online Information taken from Childnet.com.

For many young people with Special Educational Needs or Disabilities (SEND), the internet can be a place where they feel safe, calm and in control; somewhere they can make friends without having to communicate face-to-face and build a community which they may not have in their offline life. Whilst recognising the internet is a great resource which young people enjoy using, life online for a child with SEND may pose additional challenges that require careful management and support.

Learn how to use parental controls.

Setting up parental controls and filters on your home internet can help to avoid age-inappropriate images, videos and websites being seen by your child whilst they are using the Wi-Fi.

Many devices like phones, tablets and consoles have parental controls settings to restrict this content, as well as restricting additional costs online, such as in-app purchasing and turning off location functions.

<u>Internet Matters</u> provide some helpful information about these settings and how to use them.

When should I talk about online safety to my child?

Whether your child is verbal or non-verbal, the moment your child expresses an interest in the internet, is the time to talk about and show ways in which they can stay safe online. Allow yourself enough time and choose a quiet space to avoid interruption. Everyone has the right to feel safe and enjoy their time online so it's important for children to understand boundaries and behaviour, both their own and that of other people. The earlier you start this communication, the easier it will be to talk about any online safety concerns in the future.

SEND – Keeping Safe Online Information taken from Childnet.com.

<u>Set up a family agreement together.</u>

A <u>Family Agreement</u> is a great way of talking about online safety and how to use the internet in a positive way. Establishing an agreement together can help your child understand how to communicate safely and appropriately online and learn what to do if they find themselves in a challenging or unpleasant situation. It will also provide an opportunity for your child to decide who they should go and tell if something confusing or unpleasant happens online. We refer to this person as a trusted adult. These are people they already know, and they could be another relative, teacher, a youth leader or key support worker. If clearly displayed with whatever communication method works best for your child, be it written form or symbol aids, a family agreement can really help to reinforce and remind your child of the important things they need to know.

Join in and find out what they enjoy online.

Show an interest and find out what your child enjoys doing online and ask to be shown the things they like to play, look at, or watch. If possible, ask to join in as this will how you exactly what your child sees when they are online. Whether it be YouTube, Mine craft, Roblox or social media, upskilling your own knowledge is key in being able to keep your child safe online. <u>Common Sense Media</u> have some helpful information and website suggestions.

What is 'Wake Up Wednesday?'

National Online Safety is an award-winning organization whose mission is to empower parents, teachers, and children with the knowledge to keep safe online. 'Wake up Wednesday' is just one of the initiatives led by National online safety and produces guides for schools and parents on the latest technology, APPS, gaming, social media platforms. Supporting Transition @ SSPP

Transition, whether it is to a new class or a new school, can be a difficult time and we endeavour to make sure that we ensure that this process is as smooth as possible for pupils and parents.

Transition to a new class @ SSPP

All teachers work closely together to prepare for transition from year to year. Meetings are held to discuss pupils and information is passed on in advance of the new academic year beginning.

For pupils with SEND, Individual Provision Maps are shared with the new teachers and carried forward until October half term so that there is continuity in provision.

Some children with SEND may need transitional visits to their new classes and this is arranged during the summer term. Social stories may also be used to support transition for pupils with Autistic spectrum conditions (ASC) or anxiety.

All pupils visit their new class during the summer term where they can meet their new teacher and begin their transition journey.

Transition Top Tips for kids!

• Look on the school website to find out information about your new school.

- Plot and travel the route to your new school before you start in September.
- Practise getting ready for school make a list of everything you will need.
- Find out who else is going to your new secondary school with you.
- Find out the school rules so that you know what you are allowed/not allowed to do.
- Check to see if you need an appointment to purchase new secondary uniform.

Year 6 to Year 7 Transition

Year 6 pupils are supported through their transition from primary to their chosen secondary school.

During the summer term, the pupils meet their new 'Year 7 head of year' and are given the opportunity to ask questions or raise concerns about their next step to secondary school.

Within class, teachers complete work around transition with all Y6 pupils to offer strategies, advice and reassurance about the next step on their educational journey.

Each secondary school provides transition days where the children will visit their new school.

How can I prepare my child to come back to school in September?

After being off school for a 6-week summer holidays, there can be children who find returning to school daunting and challenging. Here are a few tips to help your child reduce their anxiety and start the new school year with positivity and enthusiasm.

Talk about school – use a social story to support your child to remember their new class and their new teacher. Talk about what will stay the same such as their friends.

Create a routine for bedtime - the week before school starts.

Get uniform out and check that it all fits well in the days leading up to the new term.

Encourage meeting up with their school friends to walk to school, meet on the playground.

Pack school bag ready the night before.

Get a good night's sleep.

Be positive and provide reassurance if needed.

• Signpost to services.
